

Guidelines

Homework helps you learn the material—if you attempt the homework on the days it is assigned, you will get better grades on tests. Do your homework neatly so that you can refer to it when we go over the problems in class and when you have a homework quiz. Label every problem. Show your work.

Day	Topic	Assignments
1	§3.6 Types of triangles §7.1 Triangle application theorems	CW WS 21; WS 4-1; HW p. 145 #1-3, 6, 10-12; p. 298 #1, 2, 4-7, 9, 10, 15
2	§§3.1, 3.2, 3.8, 7.2 Congruence and ways to prove triangles congruent (SSS, SAS, ASA, AAS, HL)	CW WS 22, 23, 25 (if desired) HW p. 145 #13, 14; p. 298 #16, 18; p. 120 #1, 2
3	Congruent triangle proofs	CW WS 26; p. 120 #4, 5, 11, 14, 16–18, 25 HW p. 120 #6, 8, 10, 13
4	More congruent triangle proofs §3.3 CPCTC (no circles)	CW p. 127 #9, 10, 13-18 HW p. 120 #15, 23; p. 127 #1-2, 4-5, 8
5	§3.4 Beyond CPCTC More triangle proofs practice	CW p. 135 #4, 7, 11 HW p. 127 #12; p. 135 #1, 6, 8
6	§3.5 Overlapping Triangles More triangle proofs practice	CW p. 139 #6-10 HW WS 29, p. 139 #1-3
7	Review	p. 162 #1, 2, 7, 15-17; p. 321 #7-11, 19, 20; --- Probably need more triangle proofs practice ---
8	TEST 3 – Triangles
