

Guidelines

Homework helps you learn the material—if you attempt the homework on the days it is assigned, you will get better grades on tests. Do your homework neatly so that you can refer to it when we go over the problems in class and when you have a homework quiz. Label every problem. Show your work.

Day	Topic	Assignments
1	§8.1 Ratio and Proportion	HW p. 329 #2, 6, 7, 9-15, 17-22 HW WS 54
2	§8.2 Similarity §8.3 Methods of Proving Triangles Similar	CW WS 56; WS 55; HW p. 336 #2-4, 7, 9-11, 13-15, 18; p. 342 #6, 8, 16, 19
3	EARLY RELEASE	WS – Challenge WS – Extra Credit
4	§8.4 Congruence and Proportions in Similar Triangles §8.5 Three Theorems Using Proportions	CW WS 57 (word problems); HW p. 348 #7-11, 18-21; p. 354 #2-13, 20
5	§8.2 Dilations	CW (WS 8.7) HW p. 361 #3-8, 10-16, 24-30
6	Review	CW WS 58; Lesson 8.6
7	TEST – Tue (10/ 7 – Similar Polygons
